County to provide \$29,000 for wastewater district

BY DENA BISNETTE

The Waveland Regional Wastewater Management District Board has approved a budget for 1986-87 after reaching a partial funding agreement with the Hancock County Board of Supervisors.

The supervisors agreed Wednesday to pay about \$29,000 for administrative costs involved in the district's operations.

The supervisors had been asked at their Sept. 2 meeting to share the increasing administrative costs.

The request was submitted by the board of supervisors president, A.A. Kellar, who also serves as county representative on the wastewater board.

The supervisors had agreed to a joint meeting Wednesday evening with the board after originally refusing to pay the costs without obtaining further information about how the funds would be used.

Beat Three Supervisor Roger Dale Ladner agreed with the funding request, although he had said Sept. 2 he was opposed to providing funding before county residents actually receive services.

Beat One Supervisor Bert Courge, who served on an interim committee shortly after the district was created, said he had understood that the county would have to pay a pro rata share of the cost of the project.

He said he had no objection to paying a share of the administrative costs in addition to some engineering fees the county is already paying.

Kellar said he had talked with Beat Five Supervisor James Travirca, who was absent Wednesday, and Travirca had stated that he agreed on county participation in the administrative costs.

Beat Three Supervisor Sam Perniciaro had no objections to paying

the administrative costs, but called for changes in operation of the sewage lagoon in Bay St. Louis.

The lagoon is located in his beat, near both his residence and business, and is the subject of constant complaints from his constituents, Perniciaro said.

The county is participating in the district's five-phase improvement plan, which will eventually link the Waveland and Bay St. Louis sewerage systems and supply sewerage to those sections of the county below Interstate 10.

Kellar said providing the \$29,000 would allow plans to be made for sewerage county areas south of Interstate 10.

He explained that the \$29,000 will help keep the district in operation until a special tax district can be set up in four areas designated for the

Merit raises proposed for Bay city workers

By BRENDA HEATHCOCK

Merit raises for Bay St. Louis city employees are included in a proposed budget to be discussed in a 7 p.m. public hearing Monday.

City officials will be on hand at city hall to answer questions on the budget for the 1987 fiscal year which begins in October.

Mayor Victor Franckiewicz Jr. told council members Thursday the average increase for 69 full-time city employees will be five percent.

However the individual salary increases could be more or less than five percent since raises are to be

based on performance, he added.

Salaries for city workers comprise approximately 23 percent of the city's expected expenditures for the next fiscal year.

All the actual amount of salaries to be paid is increased over 1986 figures, it reflects a decrease in the percentage of the budget.

Estimated expenditures for 1987 are up by \$875,765.

Two-thirds of this increase is due to planned expenditures in capital outlay and an increased debt service due to major utility projects.

Revenues for the coming year are expected to be \$115,500 less than last year.

This decrease is mainly caused by

the expected loss of Revenue Sharing funds. The city received \$162,000 in Revenue Sharing funds last year.

Local legionnaires attend National Convention, Dean elected commander

By ELLIS CUEVAS

James P. (Jimmy) Dean of Corinth was elected National American Legion Commander on Thursday in Cincinnati, Ohio.

John Wilkerson, adjutant of the Clement R. Bontemps American Legion Post No. 139, who was among 28 legion and auxiliary members from the Bay and Waveland posts, said, "This was the first time for the city of Cincinnati to host an American Legion National Convention."

"It appeared everyone went out of their way to make Legionnaires welcome in every respect," he added.

The city of Cincinnati sponsored an all-day picnic affair for the thousands of Legionnaires from

throughout the United States on Monday.

Wilkerson said, "Entertainment included such popular favorites as the Four Aces, Four Freshmen and Four Lads."

Commander Dean made appearances at both Post No. 139 and the Bourgeois-Stieffel-Ray American Legions Post No. 77 during his nation-wide campaign and received financial support.

Several local Legionnaires worked at the convention campaigning on behalf of Commander Dean.

Wilkerson stated, "Commander Dean's election was the first time ever for a Mississippian to be elected in the 68 year history of the American Legion to the top position."

The convention was held from Aug. 29 through Sept. 4.

In his acceptance speech, Dean expressed how proud he was of Mississippi, even being a small department in membership, for contributions to his campaign totaling \$80,000.

National Commander Dean has

held every state department and local post offices in the American Legion in addition to having served on national committees.

In the political field, Dean is a former state representative, state senator, and presently serves the City of Corinth as city judge.

CAPT Esau assumes command of NORDA

At formal ceremonies held Friday, Capt. Anthony C. Esau relieved Capt. Roger P. Onorati of command of the Naval Ocean Research and Development Activity at the National Space Technology Laboratories.

The transfer of command responsibility took place in front of the NORDA Ocean Science Center here, following remarks by Rear Adm. J. B. Mooney Jr., Chief of Naval Research, who awarded Onorati the Legion of Merit.

In his remarks, Mooney praised Onorati for his expert management of NORDA during his tenure as commanding officer, since September 1984. Onorati will retire from the Navy next month after more than 25 years of Naval service.

Esau is a native of New York City and a 1961 graduate of the U.S. Naval Academy. Upon his graduation and commissioning, then-Ensign Esau, who subsequently earned Navy designations as a submariner and diver (HE02), was

assigned aboard CVS-39 as assistant navigator, as well as athletic officer.

In 1963, he was a student at the Submarine School and, after graduation, served in a variety of assignments (engineering officer, weapons officer, operations officer) aboard SST-3, SS-338 and SSBN (656) (B), before being assigned as a student at the Deep Sea Diving School from October 1968 to March 1969.

For the next 41 months he served aboard USS Sunbird (ASR-15), the first 14 months as executive officer, and thereafter as commanding officer. From October 1972 to May 1976, he was commanding officer of the Naval Diving and Salvage School, Washington, D.C.

In July 1976, he was assigned as commanding officer of USS Ortolan (ASR-22), and in February 1979, was transferred to Commander Submarine Force, U.S. Atlantic Fleet Staff as war plans officer and then

COMMAND CHANGE—Capt. Anthony C. Esau, USN, left, assumes command of the Naval Ocean Research and Development Activity at the National Space Technology Laboratories on Friday from Capt. Roger P. Onorati, USN. Rear Admiral J.B. Mooney, USN, Chief of Naval Research, is seated. Capt. Onorati was presented the Legion of Merit by Admiral Mooney. Capt. Esau resides at Diamondhead and Capt. Onorati will be retiring next month after 25 years of service. (Staff photo by Ellis Cuevas).

Three qualify for judge, seven for school board

BY DENA BISNETTE

Three Justice Court judge candidates and seven school board candidates have met a qualifying deadline for the county's Nov. 4 election.

The deadline was 5 p.m. Friday, Hancock County Election Commission Secretary Charles Gottschalk said.

Those qualifying for the Justice Court judge, West District, election include Al Arnold of Pearlington, Barbara Frierson of Flat Top and J.D. "Tony" Miller of Pearlington.

Frierson, the incumbent, is currently serving the unexpired term of

her late husband, Judge Horatio Frierson Jr.

For Hancock County School Board, candidates in Beat One include Archie Courge and Frank J. Miller. Both are from Lakeshore.

In Beat Two, school board candidates include Monvel J. Cuevas of Leetown, Barbara Mayfield Dedaux of Catahoula, David M. Hamilton of Pearlington, Woodrow M. Ladner of Catahoula and Tangi Smith of Leetown.

Cuevas is the incumbent and Ladner is a former school board member.

JUDGING

The word "judge" is used in more than one sense in the New Testament. A lack of this knowledge has caused confusion on the subject.

Jesus said, "Do not judge, or you too will be judged. For in the same way you judge others, you will be judged, and with the measure you use, it will be measured to you. Why do you look at the speck of sawdust in your brother's eye and pay no attention to the plank in your own eye?" (Matthew 7:1-3)

This passage contains a condemnation of hypocrisy. These people under consideration are only interested in condemnation and to bring the other person down to their level of living.

In the same chapter, Jesus speaks of the tree and its fruit. He warns, "Watch out for false prophets. They come to you in sheep's clothing, but inwardly they are ferocious wolves. By their fruit you will recognize them." (Matthew 7:15) This calls for knowledge and discernment.

There are those today who say one cannot know anything for certain except they are certain one cannot know anything for certain. It does not take a Solomon to see the absurdity of such a declaration. We can know by sight, touch, smell, hearing and intellect.

In order for one to know anything spiritually, he must have a perfect standard of authority. The Bible claims to be that authority.

Jesus affirmed, "There is a judge for the one who rejects me and does not accept my words; that very word which I spoke will condemn him at the last day." (John 12:48)

Jesus prayed, "Sanctify them by the truth; Your word is truth." (John 17:17) Concerning the written word, John said, "Jesus did many other miraculous signs in the presence of his disciples, which are not recorded in this book. But these are written so you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name." (John 20:30-31)

Jesus had declared, "All authority in heaven and on earth has been given to me." (Matthew 28:18) Our hope of eternal life is vested in the authority and perfection of Jesus

Christ.

Can we know the mystery of Christ? Paul says we can, "Surely you have heard about the administration of God's grace that was given to me for you, that is, the mystery made known to me by revelation, as I have already written briefly. In reading this, then, you will be able to understand my insight into the mystery of Christ..." (Ephesians 3:3-4)

Yes, we can know. We also can know when another is doing God's will or is not doing God's will.

Judgement must be identifying factual acts. Jesus said, "Stop judging by mere appearances, and make a right judgement." (John 7:24)

We must be concerned about maintaining truth and leading humanity to the truth. Jesus said, "For God did not send his Son into the world to condemn the world, but to save the world through him." (John 3:17)

To lead men to the truth is to lead them to Christ. "Jesus answered, I am the way and the truth and the life. No one comes to the Father except through me." (John 14:6)

Though no one lives perfectly the will of Christ, those who teach others must strive to live as close as they can to the perfect pattern.

Paul taught, "You, therefore, have no excuse, you who pass judgement on someone else, for at what point you judge the other, you are condemning yourself, because you who pass judgement do the same things. Now we know that God's judgement against those who do such things is based on the truth." (Romans 2:1-2)

May we be sure, when we say an action is right or wrong, our statement is based on revealed truth. Also may all of our efforts be to help and not to destroy.

NSTL's Teacher Resource Center offers materials to educators

NSTL—NASA's National Space Technology Laboratories in Hancock County, Miss., invites all educators to take advantage of the free materials and services offered by NSTL's Teacher Resource Center.

The center, now in its second year, provides free classroom materials such as posters and lesson plans to teachers of all grade levels. Center personnel will also duplicate at no charge slides, videotapes and audio cassettes on blank film and tapes provided by the teachers. A catalog of videotapes is available upon request.

Topics cover a number of areas ranging from earth science and astronomy to satellite applications, geology and technology utilization. New materials continually added to the center can be used to bring lessons and homework assignments up to date with developments in science and technology.

Since the Teacher Resource Center was dedicated in July 1985, more than 3,000 educators have taken advantage of the center's various materials and large collection of tapes and slides.

Located in the basement of the Visitors Center, the resource center

is open Monday through Friday from 8:30 a.m. to 4:30 p.m. and on Saturdays from 9 a.m. to 1 p.m.

NSTL is located on Mississippi Highway 607 with easy access from Interstates 10 and 59.

Teachers can call (601) 688-3338 or write to the Teacher Resource Center, NASA National Space Technology Laboratories, NSTL, MS 39529 for more information.

When people think of education, naturally the majority of us think only of the young.

Statistics tell us there are more than 6,000 adults over age 25 residing in Hancock County without a high school education.

This is a very alarming statistic, yet something can be done to combat this problem.

The Hancock County School System offers Adult Education classes designed to prepare adults for the GED Exam.

This program last year enabled several Hancock Countians to learn enough to pass the GED Exam. This in turn gives them an opportunity of competing with those who have a high school diploma in the job market.

The classes are held several nights a week at four locations throughout Hancock County.

Registrations for Gulfview Elementary School, Lakeshore; Hancock County Library, Bay St. Louis; and Charles B. Murphy Elementary School, Pearlinton, are scheduled for 6 p.m. on Sept. 15.

Registration is 6 p.m. on Sept. 16 for persons living in North Hancock County at Hancock North Central.

Any residents interested in bettering their education and seeking further information may contact Philip Terrell, Hancock County Adult Education supervisor at 533-7872 or 533-7303.

Remember, this is a service offered to you by the Hancock County School System.

The service is available, and it is hoped many more will better their education.

A Bay St. Louis resident was telling us this week about seeing three snakes within two hours in his backyard.

He was able to kill two of them, both were poisonous, while the third managed to get away.

Before seeing those three snakes, the man said, he had not seen that many in his yard throughout the several years he has lived at that location.

Apparently this is snake time for the area, so we urge all residents to be extremely cautious.

Snakes can be dangerous, and some can be deadly.

The thunderstorms appear to have lightened up a bit in recent days.

In a conversation with a telephone company representative and also Bay St. Louis Fire Chief Andrew Lizana, both cautioned against the use of a telephone during thunderstorms.

One resident of Bay St. Louis was very lucky in not getting hurt when lightning struck her telephone line while in use. Lizana said the wire burned all the way inside the house and also destroyed some electronic equipment.

Residents may want to think twice about using a telephone during thunderstorms.

We can recall the squabble in Bay St. Louis several years ago, when efforts were underway to make a section of Main Street one-way.

It appears a similar squabble is coming up in Waveland, since a request was made to make two blocks of St. Joseph Street one-way.

When travel on a street has been both directions for a long period, usually objections will be made when someone wants to make it one-way.

As long as we can remember, St. Joseph has been a two-way street.

"All he needs
is a good swift kick
in the pants."

How many times have we thought this about a loved one who isn't performing up to our expectations.

We see their depression as a bad attitude. Misread their self-centeredness as a personality problem. Believe their inability to cope with daily activities is laziness.

But sometimes inappropriate behavior may be a warning sign of something more serious. A mental illness. Mental illness is a medical illness—not a personal weakness. And learning to recognize its warning signs can be the first step to healing the sickness.

AN INVESTMENT IN THE FUTURE

Nowhere is the effort toward excellence in education more a priority than for us in Mississippi. Education is the key to shaping our future economic growth and to providing opportunities within our borders for our young people.

Defense can only be supported and carried out at the national level. Education, by contrast, has traditionally been supported with state, local and private funds. Slightly over 91 percent of all education spending is from these non-federal sources.

Financial assistance to enable students to go on to college has traditionally been a central part of the federal role in American education, and it remains so today despite cutbacks made in the growth of federal spending.

While reforms have been made in student aid to focus on helping the "neediest" students, the amount of financial aid available to college students has continued to increase, not decrease, since 1982.

The Department of Education currently funds five student aid programs: the Pell Grant, the Guaranteed Student Loan (GSL) program, the National Direct Student Loan (NDSL) program, the Supplemental Educational Opportunity Grant (SEOG) and the College Work Study (CWS) program.

Last year, 2.8 million Pell Grant awards, which unlike loans do not have to be repaid, were made to students demonstrating financial need. The Department of Education's budget for Pell Grants was \$3.4 billion.

In the 1986 fiscal year, the Department spent approximately \$3.3 billion in new Guaranteed Student Loans. During last year, nearly 3.4 million students received loans averaging \$2,200 per loan.

While the National Direct Student

Loan program originally was intended to be self-sufficient, previously high inflation and default rates caused the need for annual infusions of new money. Last year, \$190 million was added to the NDSL. During the same period nearly one million new loans were made under this program.

This year the Department is spending \$412 million in supplemental grants, awards given to a student by a particular school to help meet the costs of higher education. Approximately 720,000 students received grants of up to \$2,000.

The federal government last year spent nearly \$600 million on the College Work Study program which provides jobs for undergraduate and graduate students who need financial aid. The average student earned approximately \$900 and nearly 800,000 students participated.

Under the Administration's current proposals, 40 percent of all college students—almost half—would receive some form of student aid. Under a newly proposed Income Contingent Loan Program, students could borrow more money, have a longer time to repay the money and have payments tailored to their income.

It is important for college students and their parents to know this assistance is available.

Any Mississippi student who wants to pursue his education beyond high school should contact the financial aid officer at the junior college or university in which he is interested to learn more about these programs and to find out how to apply for financial assistance.

I also will be happy to assist students in pursuing needed information.

We have good financial aid programs within the Department of Education and ample funding for them. They are good investments in our future, and we in Mississippi should take full advantage of them.

Where are the legal dumping places?

The Sea Coast Echo
Bay St. Louis

Gentlemen:

In the Aug. 24 edition, page 8A, I read with interest your article on the illegal dumping problem confronting county officials.

I think it may have proved very beneficial to include pictures of locations where it is legal to dump in addition to the photos of the illegal areas.

Yours truly,

Cars don't last long in 'Pot Hole County'

To the Editor,

I had my car damaged on Tuesday, Sept. 2, 1986. I was turning off Avenue B onto 19th St. in Shoreline Park, the road was washed out halfway into the street from the corner, because there was no culvert under the street.

The water had to go over the street. When I called Mr. Travira to tell him about it, he said it was not his fault if I don't know how to drive and run into the ditch.

The next morning they had the spot fixed with boards in the ditch but still no culverts under the street. The next storm will wash it out again.

The people of Hancock County should demand to know where the tax money is being spent. It apparently isn't being spent to fix the roads!

All they do is patch and hide the pot holes temporarily.

So, I say, if you want to keep your cars in one piece, don't drive in "pot

hole county"!

Thank you,
David M. Watzke

INSURING LOCAL GOVERN- MENTS

Mississippi's municipalities, facing the loss of participation in government by businessmen and women in the community because of the growing liability insurance crisis, seem to have found a solution to their problem.

The municipalities, facing an average of 750 percent liability insurance costs over the past two years, have been losing lay men and women willing to accept appointments to various boards and commissions.

In fact, in one community in the state recently the entire five-member board of trustees of the public library resigned because the library could no longer afford liability insurance.

Unfortunately, citizens cannot afford the risk of exposure to lawsuits based on actions as volunteer workers in governmental operations.

The state's towns and cities, through their Mississippi Municipal Association, have created their own insurance program, a risk management pool designed to place better control in rising insurance rates.

And, just as importantly, municipalities will now be able to secure coverage for appointed board and commission members who serve their communities out of a sense of duty and responsibility.

Creation of the pool seems a wise, well-reasoned move by the Municipal Association.

SEARCHING FOR A LIABILITY INSURANCE SOLUTION

There is a liability insurance crisis in Mississippi; now we have to find a way to solve it.

That's the conclusion of Senator Martin Smith of Poplarville, the chairman of the Senate Judiciary Committee. Senator Smith and the members of his committee are

struggling now with the problem, attempting to find a solution for presentation to the 1987 Legislature.

While the committee is searching for answers, Mississippi businesses are continuing to face skyrocketing liability insurance rates or a lack of availability of liability insurance at any cost.

Several reasons have been cited to the committee as to the causes of the insurance crisis—the insurance cycle, unusually low insurance premiums of a few years ago now being adjusted, a rapidly expanding number of lawsuits, the contingency fee system for lawyers, growing awards of noneconomic damages in lawsuits, and increasingly severe punitive damage awards.

The committee will need to work its way through these possible causes. Meanwhile, most business and professional groups agree on one course of action. They believe the time has come to place a limit on the amount of noneconomic and punitive damage awards being handed out by juries. In Mississippi in the past two years, the state's Supreme Court has upheld four punitive damage awards averaging about a half million dollars per case.

Placing a limit on such awards may be the place for the Senate committee to start.

Mr. Law Enforcement Officer:

The law enforcement officer and the citizen

Has this happened to you, you had friends over to your house or maybe you were visiting a friend, when suddenly your ex-appears on the scene. There are words, not very polite ones, and then out of the blue your ex-really really lays a wallop on you that rocks you back on your heels.

You're furious and you know that this is against the law so you call the police. The police arrive on the scene, you're standing there anxious, furious trying to explain what happened and that you want your ex-arrested right now, this instant.

But to your amazement and chagrin the officer just stands there telling you to please calm down and try to relax and remain calm, while your ex-simply saunters off into the sunset.

Suddenly you think this officer has got to be the most stupid, inefficient, absolutely useless person alive, and why is he or she wearing a badge, when not only you but all of your friends saw what your ex-did, who is simply walking off with this officer doing nothing.

However embarrassed you may be there is nothing the officer can do at that very instant except offer you sympathy. For an officer to arrest any individual for a misdemeanor, such as simple assault, he must be an eye witness to the infraction.

When the officer arrived on the scene what he saw was a highly excited and irrational person, but no infractions of the law. What he should be telling you when he gets you to calm down is that you must sign an affidavit against your ex-

This means that you swear under oath of penalty of the law that what happened is the solemn truth as you know it.

With a warrant in the officer's hand (having been issued on your affidavit) he has a legal right and obligation to arrest the perpetrator, if he can find the subject.

But without this affidavit it is

simply your word against your ex's word that this infraction of the law took place. An officer cannot arrest any citizen for misdemeanor violations unless they personally observe them, no matter how much he would like to.

State Republicans name platform group

Seven Gulf Coast residents are among 58 Mississippians named to the Republican Commission on Mississippi's Future which has been charged with the responsibility of drafting a GOP platform for progress in Mississippi.

Among them are State Senator Bob Usey and Harrison County Sheriff Larkin Smith, both of Gulfport. Others include George Byars, Moss Point; Isadore O. Hyde Sr., Gautier; Charles Klumb, Biloxi; Ann Smith, Pascagoula; and Evelyn McPhail, Diamondhead.

Created by the 1984 State Republican Convention, the commission was asked to study special problem areas in the state and report back to the convention when it reconvenes in 1987. Charles Pickering of Laurel is chairman of the commission.

"To my knowledge this is the first time a political party will reconvene

its State Convention to adopt a platform related to state issues in an election year," stated Pickering.

He said six areas targeted for study include Jobs and Economic Development; Prisons and Criminal Justice; Education; Government Reform and Efficiency; Transportation and Highways; and Agriculture.

Pickering said the commission has scheduled a series of Public hearings to be conducted in each of the five Congressional Districts throughout the fall and early winter. It is anticipated that recommendations will be finalized and presented to the full convention next spring.

"We believe things can be better in Mississippi. The newly formed commission is working to make that come about," said the chairman.

The commission is scheduled to meet Tuesday at state headquarters in Jackson.

Hunter education course scheduled

The Mississippi Department of Wildlife Conservation, Hancock County Extension Service and volunteer instructors will be conducting a Hunter Education course for the public at County Extension Office, behind Hancock Hospital Monday, Tuesday and Wednesday at 6 p.m.

A new law requires any person born on or after Jan. 1, 1972 to have successfully completed a hunter education course before they can purchase a hunting license. This law becomes mandatory for Mississippi residents January 1, 1988.

The course consists of ten hours of classroom instruction in gun, muzzleloading, and archery safety; hunter ethics; principles of wildlife management; survival; and other related subjects.

Students will also be required to live fire on the range with a .22 caliber rifle, shotgun or pellet gun furnished by the Department of Wildlife Conservation.

No fees are charged for the course or for insurance. Student participants are insured while traveling to and from the range area and during the firing session.

Contact Danny Jackson at 467-5466 and register for the class.

district's first county sewerage systems.

Those designated areas include part of Shoreline Park; Jourdan River Estates; Jourdan River Isles and Shoreline Estates, also known as Garden Isles.

Kellar said this would probably be the only year that the money will have to come from the county's general fund.

According to District Administrator Ethel Schott, the special tax district will eventually repay some of money being submitted by the county this year.

The district is expected to expand as services become available to additional parts of the county, Schott added.

Ladner said he thinks setting up a special tax district is fair, since he feels people who pay for services should receive them.

"As for the \$29,000 this year, we probably owe the district more than that for what they've already done," Ladner added.

Kellar reminded members of both boards that obtaining federal financing to buy or sell a home in the county is presently not possible south of Interstate 10 except in the four areas targeted for the first sewerage systems.

Financing can not be obtained without a sanitation permit, and Schott said permits are no longer being issued in that area because septic tanks generally will not work properly in the southern part of the county.

The county has reached an agreement with the State Board of Health, State Bureau of Pollution Control and U.S. Environmental Protection Agency that is expected to temporarily correct that situation.

The district has been given the authority to permit individual onsite wastewater treatment devices, but the authority is contingent on existence of a plan for future sewerage.

The supervisors are expected to take official action on approving the \$29,000 funding at their Sept. 15 meeting.

The budget that will include the \$29,000 was not changed from a proposal discussed at a special workshop meeting last week.

The budget totals \$290,119 for district operations and maintenance, an increase from last year's \$260,324.

The major areas of increase are in personnel salaries and benefits, which will cover one additional part-time and one additional full-time employee; utilities; and vehicles expenses and insurance.

In other business Wednesday, the board authorized its chairman, Waveland Mayor John Longo Jr., to sign a certificate of substantial com-

pletion for the first phase of the five-phase project.

The first segment consists of improvements at the sewage lagoon in Bay St. Louis.

Welding Specialists Inc. has completed the work in the original contract but has not completed several change orders, most of which are related to a wiring problem that has

caused a pumping unit to be incompatible with the generator purchased to run it, Schott said.

The certificate of substantial completion has been authorized but will remain unsigned while Board Attorney Lucien Gex looks into arrangements for the completion of the change orders.

HNC'S CHARLES BURTON HEADS FOR ONE OF THREE TOUCHDOWNS HE SCORED TO LEAD THE HAWKS TO A 20-7 VICTORY OVER ST. JOHN FRIDAY NIGHT (Echo staff photo by Brenda Heathcock)

The Sea Coast Echo SPORTS

Hancock wins opener, 20-7

By BRENDA HEATHCOCK
Scoring three touchdowns Senior Half Back Charles Burton led the Hancock North Central High School Hawks to a 20-7 win against the St. John Eagles in the season's first game.

Eagle Coach Mike Gavin summed up the game as just "too much Charles Burton."

Hancock Head Coach Irvin Favre said he was very proud of Burton's performance.

"Burton had a real good night, when we gave him the ball he just took it to the endzone," Favre added.

Burton scored with explosive runs down field for 43, 58 and 55-yard touchdowns.

Favre said the Hawks have a long way to go in the season but are off to a good start.

The Hawks received the opening kickoff and gained one first down before turning the ball over on the down to the Eagles on their 23-yard line.

and Jesse Dupree recovered the ball for the Hawks.

Favre kept his cool under pressure and connected with Burton for a 19-yard gain but was hit in the backfield on the next possession for a loss of 15 yards.

A one-yard gain by Burton and an incomplete pass by Favre preceded the punt.

The Eagles had two no gain plays before the second quarter ended.

St. John received the kickoff after the half but had no luck in moving the ball before punting away the possession.

The Hawks also had trouble moving the ball in the second half as penalty mounted.

Following a punt the Eagles took over on their own 20-yard line.

A couple of quick passes by the Eagles moved the ball into Hawk territory. They gained another first down on the ground before a 13-yard touchdown pass by Eagle Quarter-back Jimmy Van Alstyne.

St. John's Kelly Lee kicked the ex-

Burton scores three touchdowns

Starting deep in their own territory and a five-yard offside penalty on the second down worked against the Eagles and they had to punt away their first possession.

Hancock took advantage of this turnover and scored after just four plays.

Burton ran it in from the St. John 47-yard line.

Quarterback tossed the ball to Casey Hoda for a two-point conversion to give the Hawks an 8-0 lead.

The Hawks held St. John to only a one-yard gain in three plays and the Eagles punted the ball away again.

Burton returned the punt for 22 yards giving the Hawks a first down on the St. John 45-yard line. Donald Vince took a handoff from Favre and ran 17 yards.

The Hawks gained 10 more yards before the ball was fumbled in a handoff and the Eagles recovered.

The Eagles gained two-yards before the punt.

Hancock took possession as the second quarter began and took just a couple of minutes to score.

Delano Lewis ran for eight and on the second down Burton took the ball into the endzone.

The two point conversion point attempt failed.

After two incomplete passes and a loss of one yard, St. John punted the ball away.

Vince gained the Hawks another first down in three runs. Favre got seven on a quarterback keeper play. Lewis carried for six to get a first down and Vince added seven yards.

A loss of four was recorded on a fumble but the Hawks recovered the ball to retain possession.

Favre connected with Vincent Cuevas for a 28-yard touchdown pass play but an illegal procedure penalty recalled the play and cost the Hawks 10 yards.

The Hawks turned the ball over on the downs.

In the second play of the possession a St. John reverse was fouled

tra point.

The Hawks mounted a 60-yard drive, pushing through the lines to the 5-yard line before fumbling away the ball to the Eagles.

A 30-yard Eagle drive was stopped cold by Hawks Mario Greco with a quarterback sack.

The Eagles punted on the next play.

On the punt return Burton scored the final touchdown of the night with a 55-yard dash downfield with three minutes in the game.

A series of incomplete passes by the Eagles returned possession to the Hawks who got off two plays before time expired.

Offensive totals for the Hawks showed 311 yards rushing and 28 yards passing.

Burton was the leading offensive player with 191 yards.

The Hawk defense held St. John to less than 100 yards total offense.

Outstanding Hawk defensive players were Corey Blaize, Jesse Dupree, Mario Greco and Guy Graham.

The Hawks will travel to Pearl River Central High School next week to take on the Blue Devils. Kickoff will be 7:30 p.m.

Stone drops Bay 13-11 in opener

BY DENA BISNETTE

The Stone County Tomcats downed the Bay St. Louis High School Tigers 13-11 in a hard-fought season opener Friday.

Tiger Head Coach Cleveland Williams and Tomcat Head Coach Chris Calcote both said they felt the game was a good effort for a season opener, but they also said it was filled with errors.

"We made a lot of mistakes, young mistakes from inexperience, but the team gave a great effort," Calcote said.

"We made the big play when we needed to make it."

"It was a win. It's a sloppy win, but we're still excited."

"I was impressed with the boys, especially since we played a lot of young folks," said Williams, who was trying out a new quarterback in addition to a number of younger players.

"We made a lot of costly mistakes and sustained a few injuries. We will have to regroup quite a bit for next week. We fumbled five or six times. We had good drives going and should have scored three times."

"The turning point of the game was right before their second touchdown when we fumbled on the four yard line," Williams added.

Among the injured Tigers expected to be out for next week's game against Pass Christian are

veterans Billy Ross, who played center Friday; running back Aaron Whavers and guard Geja Carter.

The first quarter Friday was filled with turnovers but not points.

Bay received the kickoff and was attempting to use the Tiger passing attack when Stone Quarterback Corey Diaz intercepted a throw from Bay's new quarterback, Dwayne Robertson, for a first down on the 50 yard line.

Stone fumbled on the Tiger 46 and Bay tight end Robert Hargett recovered the ball.

With about three minutes to go in the first quarter, Bay punted the ball back to Stone.

The Tomcats kept possession into

the second quarter but ended up punting the ball back, only to recover it when Bay fumbled on the Tomcat 40 yardline.

The Tomcats then went airborne, with their first touchdown being scored on a 33-yard pass from Diaz to Jason Smith.

An attempt for a PAT was no good and the Tomcats led 6-0 with 11:53 left in the second quarter.

Bay's first points came late in the second quarter when Brian Laneaux kicked a 23-yard field goal with 21 seconds left in the half, posting three points for the home team.

Second half action included another Tomcat touchdown pass, this one from Diaz to Tailback Mike Howze for 25 yards.

Lance Taylor kicked the extra point, bringing the score to 13-3 with 24 seconds to go in the third quarter.

Bay's first touchdown drive was set up on the Stone 15 by a 27-yard pass from Robertson to Andrew Collins.

Bay took to the air again for the touchdown, with Robertson passing to Robert Hargett for an additional 15 yards and six points.

The PAT attempt was no good. The Tigers closed the margin to 13 to 9 with 7:27 left in the game.

The final two points for Bay High were posted on the last play of the game, when Diaz fell into the end zone and the Tigers were awarded a safety.

The final score stood at 13-11 in the Tomcats' first 1986 victory.

Calcote named Defensive Linebacker Chris Loveless and Howze, who gained much of the Tomcats' rushing yardage, as some of Stone's outstanding performers against Bay High.

He also included Smith for his catch on the first Tomcat touchdown.

Williams named Laneaux, who led the Tigers in rushing with 141 yards, as his outstanding offensive player.

Named as outstanding on defense was veteran Guard Greg Necaise, who Williams said helped Bay's mostly young defense limit the yardage gained by Howze, Stone's powerhouse rusher.

Howze had a total of about 26 yards.

Among the rookies Williams said did an outstanding job were Travis Haynes, in at center for the injured Ross, and Doral Nicholas, who was called to substitute in guard and tackle slots and ended up playing on both sides of the line before the game was over.

Next week, the Tigers host the Pass Christian Pirates at McCullough Field.

Stanislaus falls to Pearl River

Call it inexperience. Call it first-game jitters. Call it a learning experience.

Whatever you call it, the St. Stanislaus Rockchaws' opener against Pearl River was not a joyous occasion for the two hundred or so hometown fans who traveled to Louisiana Friday night.

For when the overcast skies finally cleared, the scoreboard told the tale of a 28 to zip pounding at the hands of a strong Pearl River, La. team.

But, as always, the final scoreboard never tells the whole story.

In spite of those first-game jitters, in spite of that inexperience, in spite of fighting a wet ball on a slippery field, the Rocks displayed a determination, an enthusiasm, and some real gut-it-out ball playing that should prove to be determining factors in games to come.

After a shaky start, giving up the ball to Pearl River on a fumble and allowing the opponents to score with 9:36 left in the first period, the Rockchaws took possession on their own 45.

Rock quarterback Ya-Sin Shabazz moved the ball 9 yards on a keeper, and connected with tight end Freddie Wirstrom on a 16 yard throw, demonstrating that the potential for a good fight was in the offing.

Defensively on the Rebels next possession, the Rockchaws allowed one additional first down but then aborted Pearl River's drive two yards short of an additional first.

On the second down, Rock defensive end Blake Boudreaux held the attack and the Rebels went back an additional 5 on illegal procedure.

On the second attempt at second down of the series, SSC tackle Shane Sigsworth led the line that denied Pearl River any gain on the play.

Then on third, Rock defensive back Jack Simpson soloed on a stop. And teaming up, Boudreaux and defensive back Jerry Fackrell held the Rebels two yards shy of another first down.

On their next possession, the Rockchaws gave up the ball on a fumble, and Pearl River scored on four plays with 42 seconds left in the first period.

Starting off the second quarter, Rock running back Jorge Ponjuan carried the ball on two successive runs to pick up a first down, but on the third down of that series, SSC relinquished the ball on a fumble.

Capitalizing once again on the Rocks' error, the Rebels moved the ball steadily to the end zone for another score and point after to bring the score to 21-0 with 9:13 left in the second quarter.

Through the rest of the first half, the Rock defense held strong on some outstanding individual and team performances.

Blake Boudreaux intercepted a Rebel pass to give the Rocks possession on the Pearl River 38.

On PR's next possession, the Rock defensive line held them to three plays, and forced a punt error of only 10 yards, giving SSC the ball at the Rebels' 48.

Ponjuan carried to the 35 picking up a first for the Rocks. And Fackrell dug in to carry it to the 30. On third, the Rockchaws gave up possession on a pass interception.

The Rebels picked up another TD with 7:22 showing on the third

quarter clock, followed by another PAT to bring the score to 28-0.

But the Rocks didn't quit!

Taking possession and keeping it for the remainder of the period, the Rockchaws displayed the type of desire that will pay off as this young season moves into high gear.

Rock running back Gino Ascani started off the drive with a kickoff return to the 35 only to have it called back on dual penalties.

Undaunted, Ascani received again and returned it to the 50.

On runs by Shabazz, Ponjuan, and Simpson, the Rocks moved to the 35 for a first down.

Ponjuan and Shane Harris moved the ball to the 28 for another.

But on the first play of the new series, QB Shabazz injured his ankle and Harris took over playmaking duties.

A personal foul against PR gave the Rocks yet another first at the 9 after Bradley had moved the ball successfully up the middle.

From the 9, Rock running back David Diboll got a chance to show his metal moving the ball to the 3 on two carries.

Then, perhaps losing some of their momentum with the end of the third quarter, the Rocks moved to the other end of the field, only to have their drive quashed by the Rebels.

Although injured, Shabazz returned to the game with his ankle taped, but the Rocks were unable to regain their momentum.

The Rock "graveyard" defense held for the rest of the game denying Pearl River any further scoring.

This Friday, the Rocks will entertain St. John's at home.

REAL ESTATE PIRATE—Pass Christian sophomore tailback Derrick Benoit (33) picks up yardage against the D'Iberville Warriors Friday at Pirate Stadium. Benoit carried ten times for 32 yards plus a 42-yard pass

completion touchdown run. He also intercepted a Warrior aerial during the contest won by D'Iberville, 28-22. (Echo staff photo by Edgar Perez)

D'Iberville struggles
for win over Pirates

By EDGAR H. PEREZ

Somebody forgot to tell the Pass Christian Pirates they couldn't beat D'Iberville's state champion Warriors.

The Pirates played all night Friday like they expected to win, and they almost did, being edged by the North Biloxi tribe 28-22.

The Pass Christian combination of Shinnall Conway and Bobby Dedeaux in the air and Derrick Benoit and Hilton McKay on the ground was as

explosive as the late summer lightning which flashed menacingly on the southwestern horizon.

The edges of a thundershower dampened the North Street turf during the second half, but the spirit of the Pirates stayed cool and dry with the swashbucklers continuing to score against the Warriors when only seconds were left in the game.

Statistics prove senior quarterback Conway to be leader in the buccaneer 1986 season opener Friday

with nine completions in 14 attempts for 181 yards and two touchdowns.

In addition, the versatile Conway threw for a two point conversion in the fourth quarter and ran for another at the top of the third quarter.

Warrior jaws went slack when Derrick Benoit picked off D'Iberville quarterback Rusty Waites' second quarter pass and raced 60 yards for the first Pirate score.

And Benoit again tore up the terra-

firma after taking in a Conway pass early in the third quarter and hauling the football 42 yards for the Pass' second score.

In addition, Benoit carried ten times for a 32-yard total. Dedeaux took in four Conway tosses for a total of 60 yards.

The Pirates' third touchdown came in the final seconds of the game when McKay, surrounded near the Warrior goal line by D'Iberville's secondary, broke from the host of defenders who deflected the ball into McKay's waiting arms.

An interception by McKay set up an incomplete field goal attempt by the Pirates at the close of the first half.

Pirate Coach Alton Wright cited Jason Dedeaux and Kevin Charlot for defensive efforts of three individual tackles, seven assists and 10 individual, two assists, respectively.

Also on defense, David Vonture, Charlot and Conway each are credited with sacking the Warrior quarterback.

Friday's first quarter went scoreless, with the second quarter closing after each team scored one touchdown. D'Iberville took a one-point advantage into intermission with a completed conversion kick.

Both teams posted eight points in the third period and Pass added another eight in the final period.

D'Iberville picked up its leading edge in the final period with 13 points.

"I was very pleased with our team's play," said Wright.

"We purposely have not pushed too hard in practice due to the hot weather, and I believe it showed tonight — we weren't in as good shape as they were."

I think that's where they got the upper hand on us," Wright speculated.

"We didn't quit, we just ran out of gas," he added.

"We made some mistakes, but we have a good team and we'll correct some of our mistakes after we have a chance to review the films of tonight's game," Wright stated.

The coach noted an inside reverse executed by D'Iberville which is different from the reverse they worked last year left his ends out of position.

"Our ends didn't stay at home," he lamented.

All 26 Pirates who dressed for the outing saw action. Two others, sidelined with pre-game injuries are hopefuls for this week's contest against the Tigers in Bay St. Louis.

Haas-Strief

The marriage of April Lynn Strief and Kyle James Haas, both of Kiln, was solemnized August 9 in an afternoon double ring ceremony in Annunciation Catholic Church with the Reverend Antone Lynch officiating.

The bride is a daughter of Mr. and Mrs. Gene Strief. The groom's parents are Mr. and Mrs. Wallace Haas Sr., all of Kiln.

Nuptial music was presented by soloist Sandy Rhodes of Bay St. Louis.

Given in marriage by her brother, Greg Strief, the bride wore a formal gown of white silk sheerganza fashioned with a fitted bodice and short puffed sleeves. Appliques of lace accented the neckline and waistline. The full skirt featured a deep ruffle of organza and was embroidered with lace appliques and extended to a chapel train. A lace Juliet caplet held her veil of silk illusion.

The bride carried a cascade of white silk roses, blossom spray and baby smile with aqua sweetheart roses, jubilee gyp, seed pearl and picot streamers.

Tammy Estave of Kiln was maid of honor.

Bridesmaids were Tina Banks and Cherele Comfort of Fenton, cousins of the bride.

Flower girl was Rhonie Lacoste of Kiln, niece of the groom.

The attendants wore tea length gowns of matte taffeta fashioned with fitted bodice and sweetheart neckline outlined in a ruffled flounce, also outlining the scooped back. The slightly basque waistline gave way to full skirts and they carried ivory Victorian style muslin fans adorned with peach sweetheart roses, aqua orange blossoms and jubilee gyp with aqua streamers.

Dennis Lacoste of Kiln was best man.

Groomsmen were Linus Haas of Kiln, brother of the groom and Donovan Haas of Long Beach, nephew of the groom.

Frankie Comfort of Bay St. Louis, cousin of the bride, was usher and Brandon Arcement, cousin of the bride, was ring bearer.

A reception followed the ceremony at the Kiln Veterans of Foreign Wars Hall.

The couple resides in Kiln.

Garcia-Strief

Annunciation Catholic Church in Kiln was the setting for the August 9 marriage of Connie Ann Strief and Mark Dale Garcia. The Reverend Antone Lynch officiated at the 1 p.m. double ring ceremony.

The bride is a daughter of Mr. and Mrs. Gene Strief of Kiln. Parents of the groom are Mr. and Mrs. Warren Garcia Sr. of Lakeshore.

Sandy Rhodes of Bay St. Louis provided vocal selections.

Given in marriage by her father, the bride wore a formal gown of white silk sheerganza over bridal taffeta fashioned with a cutout neckline trimmed in ruffles and lace and embellished with seed pearls and full puffed sleeves. The fitted waistline gave way to a full skirt with a deep ruffle of organza and

chapel train adorned with appliques of lace and pearls. A caplet of lace and seed pearls held her veil of bridal illusion edged in lace.

She carried a cascade of white silk roses and orange blossoms with baby smile and peach sweetheart roses, jubilee gyp and picot streamers.

Natalie Arcement of Fenton, cousin of the bride, was matron of honor.

Bridesmaids were Ronia Nelson of Lakeshore, niece of the groom, and Michelle Hume of Picayune, cousin of the bride.

Brandy Garcia of Lakeshore, niece of the groom, was flower girl.

The attendants wore tea length gowns of matte taffeta, each with sweetheart neckline and scooped

back outlined with a ruffled flounce. The slightly basque waistline gave way to a full skirt and they carried ivory Victorian muslin fans adorned with peach sweetheart roses, aqua orange blossoms and jubilee gyp with peach ribbon.

Gerald Ulrich of Lakeshore, cousin of the groom, was best man.

Groomsmen were Wayne McCarty of Pearlinton, nephew of the groom, and Kevin Garcia of Lakeshore, the groom's brother.

Marty Comfort of Fenton, cousin of the bride, was usher.

Ryan Strief of Dedeaux, nephew of the bride, was ring bearer.

A reception followed the ceremony at the Kiln Veterans of Foreign Wars Hall.

The couple resides in Lakeshore.

Tedford-Partington

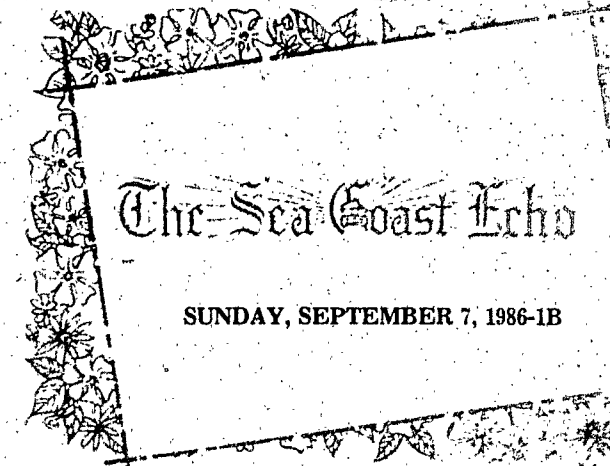

Mr. and Mrs. Toy A. Tedford Jr. of Waveland announce the engagement and forthcoming marriage of their daughter, Rebecca Jo Tedford, to Scott Partington, son of Mr. and Mrs. John Partington of Cumberland, R.I.

The bride-elect is a 1977 graduate of Bay Senior High School. She attended Bellhaven College and received a bachelor of arts degree in political science from the University of Southern Mississippi in 1981. She received a doctor of jurisprudence from Mississippi College School of Law in 1984. She is an associate with Page, Mannino and Peresich in Biloxi.

Miss Tedford is the granddaughter of Mr. and Mrs. J. S. Bell of Inverness, Miss. and Mrs. T. A. Tedford of Batesville, Miss. and the late Mr. Tedford.

The prospective groom is a 1975 graduate of Cumberland High School. He received a bachelor of arts degree in political science from Providence College in 1979 and a doctor of jurisprudence in 1984 from Mississippi College School of Law. He is employed with Robbio and Notte in Providence, R.I.

The couple will exchange vows October 25 in an afternoon ceremony at First Baptist Church in Bay St. Louis.

Torgeson-Bourgeois

Our Lady of the Gulf Catholic Church was the setting for the August 2 marriage of Penny Ann Bourgeois of Waveland and Keith Michael Torgeson of Pass Christian. The Reverend Charles Vennus officiated at the afternoon ceremony.

The bride is a daughter of Mr. and Mrs. William J. Bourgeois Jr. of Waveland. The groom's parents are Mr. and Mrs. Kenneth Torgeson of Pass Christian.

Nuptial music was provided by organist James Varnell and soloist Conrad Mauffray.

Given in marriage by her father, the bride chose a formal gown of ivory satin featuring a sabrina neckline and fitted bodice with V-fitted waistline and ruffled Elizabethan sleeves. The bodice was appliqued with organza lace adorned with seed and oval pearls, crystals and iridescent sequins. Tiers of satin ruffles formed the full skirt, with the top tier being edged with satin stitched organza lace and seed pearls. The skirt extended to a cathedral train fashioned of rows of satin ruffles.

She wore a bridal hat of ivory satin appliqued with lace, crystals, seed and oval pearls and sequins. It featured an attached embroidered net blusher and illusion pouf with streamers.

The bride carried a cascade of hand-wrapped white silk wild casper, mauve rosebuds, jasmine sprays, jubilee gyp and pearls with baby's breath and picot ribbon.

Tammy Bourgeois of Waveland attended her sister as maid of honor. Mrs. Nancy Depreo of Waveland was matron of honor.

Bridesmaids were Mrs. Belinda Fountain and Lynell Ladner, both of Ansley and Mrs. Karen Ruhr, all cousins of the bride; and Deon Torgeson of Long Beach, Calif., sister of the groom.

Jessica Bounds of Ansley, cousin of the bride, was flower girl.

Mary Keel of Pass Christian was best man.

Groomsmen were Kenneth

Torgeson II, brother of the groom, Grant LaCoste, Charlie DeMetz and Mike Schmidt, all of Pass Christian; Jimmie Nation of Hattiesburg; Larry A. Ladner of Waveland and Terrell Ladner of New Orleans, Uncles of the bride; Roy Ruhr of Bay St. Louis, cousin of the bride; and Jimmie Allen of Pass Christian.

Jeremy Schmidt of Pass Christian was ring bearer.

Offertory gift bearers were Mrs. Laverne Dedeaux, cousin of the bride, and Mrs. Catherine Toomey, both of Waveland.

Mrs. Mary Ladner of Waveland, aunt of the bride, provided special readings.

A reception followed the ceremony at the American Legion Hall in Waveland.

The couple will reside in Lakeshore.

Pre-nuptial parties

Mrs. Christine Spence, Mrs. Audrey Cuevas and the second grade class at Hancock North Central Elementary School entertained the bride with a shower.

The faculty of Hancock North Central had a small gathering for the bride and presented her a gift.

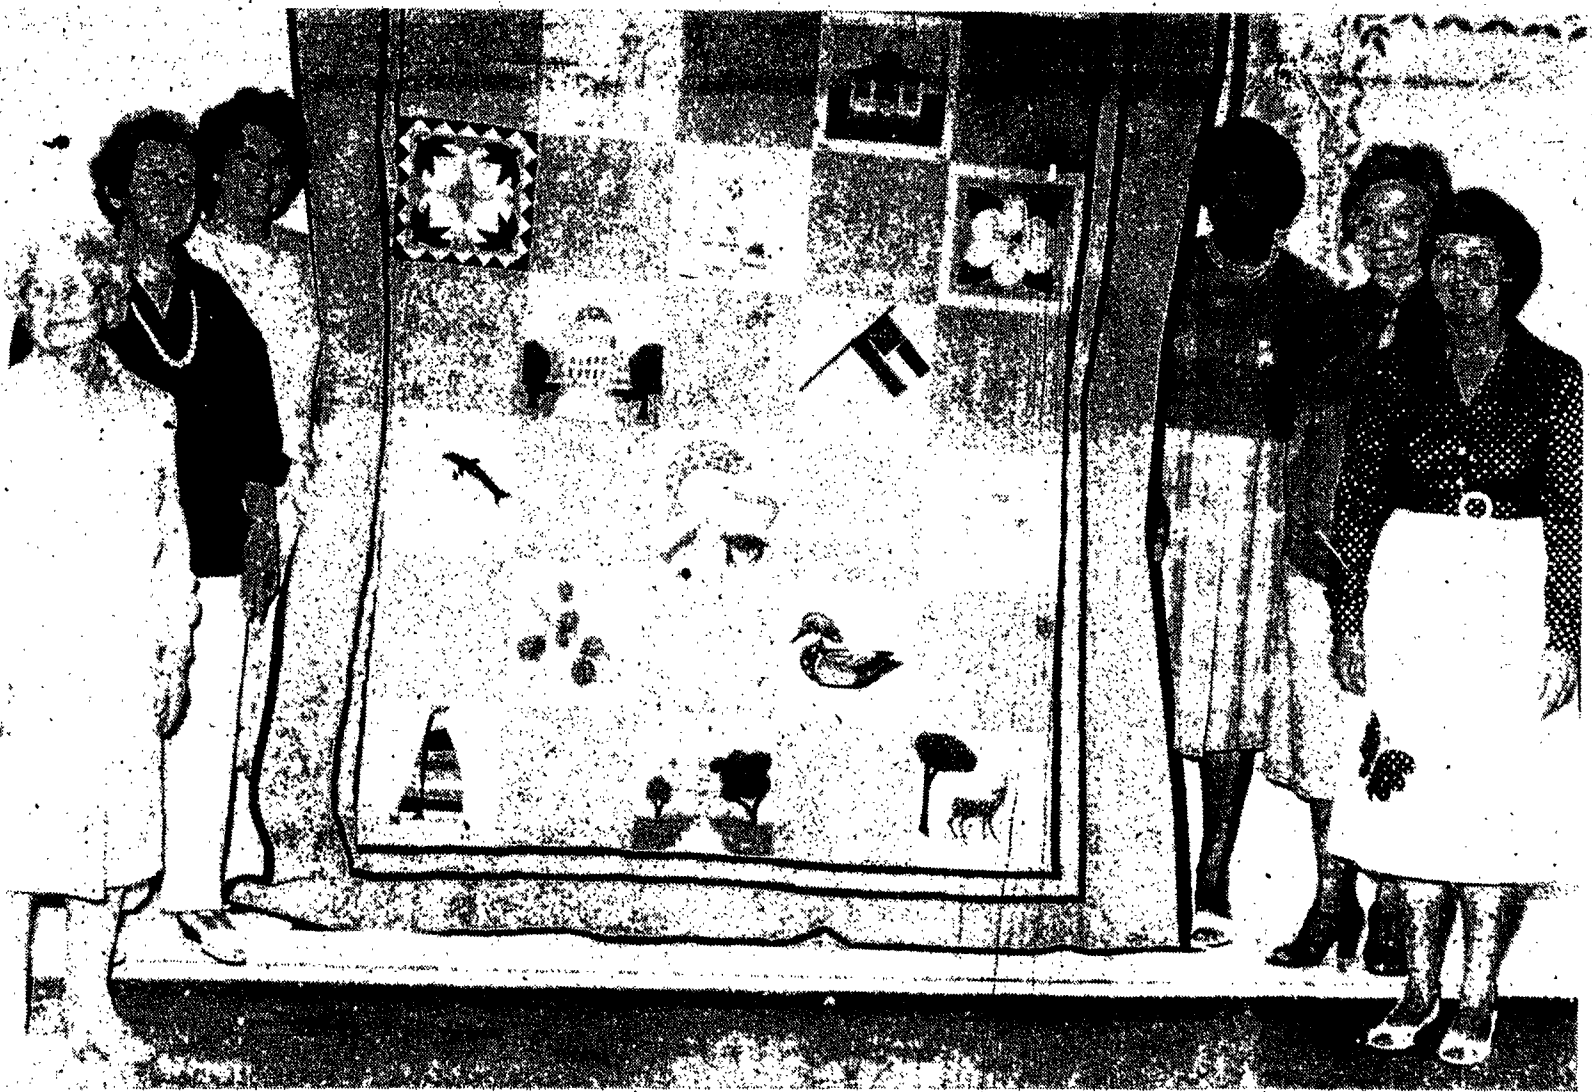

A miscellaneous shower was co-hosted by the bridesmaids at Ladner's Inn in Ansley.

A shower was co-hosted by Mrs. Gerry Benigno, and Mrs. Lillian Garcia, aunts of the bride, and Laverne Dedeaux, cousin of the bride, at the VFW Post in Bay St. Louis.

An evening lingerie shower for the bride was co-hosted by Mrs. Nancy Depreo, Mrs. Ginnet Butch, Mrs. Cathy Carver, Mrs. Patti Harden and Mrs. Catherine Toomey at the home of Mrs. Nancy Depreo.

A shower was hosted by Mrs. Betty Dubuisson, aunt of the groom, and Marion Torgeson, sister-in-law of the groom, at Mrs. Dubuisson's home in Pineville.

Mr. and Mrs. Kenneth Torgeson hosted a cocktail party and rehearsal dinner at Gulf Park College campus in Long Beach.

MISSISSIPPI QUILT—Pass Christian Garden Club members, from left, Mattie Morlas, Coral Trepagier, Bobbie Leapley, Liz Hedgepeth, Millie Shea and Shirley Doe gather around a handmade Mississippi Album Quilt on display this week at the La Belle Art Center in Pass Christian. The quilt features 18 picture squares depicting various state symbols including a

mockingbird, cotton boll, flag and capitol building. A Southern Belle, antebellum house, gazebo, country church and map of the state are also shown on the quilt. A drawing for the quilt will be Thursday, Dec. 4 at the garden club's Silver Tea. For information on tickets call Shirley Doe, project chairman, 452-9703. (Staff photo by Brenda Heathcock)

Clubs, Auxiliaries

American Legion Auxiliary

Cincinnati, Ohio—Mrs. Lois Fallo of Waveland was honored by the American Legion Auxiliary at the organization's 36th National Convention in Cincinnati, Ohio as Auxiliary Member of the Year from the State of Mississippi.

She was selected as Member of the Year in the state for her 'invaluable' volunteer work for the auxiliary and her outstanding record of community concern.

Criteria for selection in each of 50 states is based upon support for the goals and purposes of the organization and cannot be awarded to an individual who has held office in the auxiliary beyond the local level.

"It is an opportunity for the national organization to salute the 'unsung heroines of volunteer,'" said Mrs. Josie Melgard, national president of the million-member patriotic organization who presented the award at a special luncheon on Tuesday, Sept. 2 in Cincinnati.

"The auxiliary is a grass-roots organization and can only accomplish the quality and quantity of work we do because of dedicated volunteers. When our annual report to the membership shows a record high of \$17.7 million in program funds raised and spent and more than seven million volunteer hours recorded, it is only because of people like this outstanding auxiliary member. She deserves our applause and recognition because she helped make it possible," Melgard said.

Lou Wilkerson, Phyllis Moran, Evelyn Burns, and Roseann Thompson, members of Clement R. Bontemps Unit 139 of the American Legion Aux-

iliary in Bay St. Louis are attending the auxiliary's 66th National Convention in Cincinnati, Ohio.

The American Legion Auxiliary is the world's largest women's patriotic organization with nearly one million members world-wide.

Among the highlights of the convention are addresses by John Walsh, founder of the Adam Walsh Child Resource Center in Broward, Florida, a center devoted to missing children, and Secretary of Defense Caspar Weinberger.

The convention will feature year-end reports of the American Legion Auxiliary which show the organizations' voluntary efforts increased this year, recording over \$14.7 million in funds raised for programs, and 7 million recorded volunteer hours, which translates into \$36 million worth of service to the veterans and the general public.

Included in this total are \$2.8 million spent on programs for young people in Auxiliary-sponsored programs dealing with the prevention of teenage suicide, drug and alcohol abuse, and the tragic problem of missing and murdered children.

Convention reports will also cover the Auxiliary's nationwide scholarship program where more than \$1 million was awarded to deserving students, and the Girls State/Girls Nation program in which \$2 million was invested.

The American Legion Auxiliary is a youth-oriented organization and a National Junior Meeting will be held in Cincinnati.

National quilters group forms local chapter

The first meeting of the local chapter of the National Quilters' Association will be Wednesday, 7 p.m. at the County Extension Office, 725-A Dunbar Avenue, Bay St. Louis.

Anyone having an interest in preserving the heritage of quilting, learning to quilt or being an advanced needle artist will enjoy membership in the local chapter.

There are many advantages to belonging to a local chapter of the National Quilters' Association. One of the most exciting is being able to host seminars by nationally known quilters such as Georgia Bonesteel, Paulie Carlson and Sara Minor.

For additional information call Darlene Underwood, Extension home economist at 467-5456.

LUCILLE BOUDREAUX

VFW Auxiliary

Lucille Boudreaux, Veterans of Foreign Wars Political Action Committee national coordinator for the Department of Mississippi, at the national convention in Minneapolis Aug. 15-22, was presented the National PAC Award by Glenneta Vogelsong of Cape Girardeau, Mo., National Ladies Auxiliary liaison.

The award was a citation for effectively promoting the VFW PAC program.

"The price of freedom is responsibility and every member of the ladies auxiliary must make it a personal responsibility to be informed as an astute citizen and must be aware of the voting records of our legislators, especially on the issues of veterans benefits and national defense, Boudreaux said.

The purpose of the Veterans of Foreign Wars Political Action Committee is to inform the public on the legislators who have supported these issues. Each member from the auxiliaries who makes up the Department of Mississippi was asked to contribute \$1 to be used for the support of a candidate who would do the most on these two issues.

Boudreaux put Mississippi first in the nation in a membership group of 23,500 to 30,000.

Auxiliary contributions were \$8,814 and Lowell Gibson Veterans of Foreign Wars department coordinator for Mississippi, from Europa with \$5,292 also put Mississippi on top in the nation from post contributions.

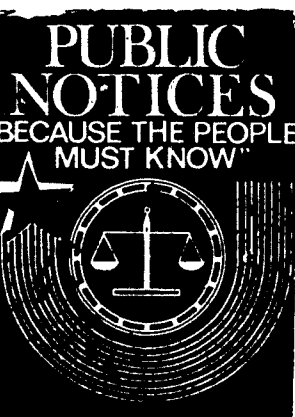

The national convention was presided over by National Commander John S. Staum from Minneapolis, whose theme was Reach For New Horizons, and National President Lucile Suchina from Houston, Tex., whose theme was America Always Free.

Also attending was Department Commander Lee Childress from Flora, Miss., and Norma Bonney, department president from Pass Christian Mississippi.

Lucille Boudreaux would like to thank each and every one who made this trip possible, especially the post and auxiliary.

Boudreaux also had the honor of handing out the PAC awards for the southern states appointed by Glenneta Vogelsong.

Harris Boudreaux, national aide de camps represented the post at the national convention.
